# Brisa

## Breeze - Brise

### Características generales:

#### Laterales:

-Paños modulares en chapa plastificada.

#### Techo:

-Chapa pintada con iluminación por halógenos cromados.

#### Suelo:

-Suelo de goma.

#### Perfilería:

-Acero Inox AISI 304.

### General Features:

#### Walls:

-Plastic laminate walls.(skinplate).

#### Ceiling:

-Painted metal sheet with silver halogen spotlights.

#### Floor:

-Rubber flooring.

#### Corners:

-Stainless Steel AISI 304.

### Caractéristiques générales:

#### Parois:

-Panneaux modulaires en skinplate.

#### Plafond:

-Tôle peinte avec éclairage par halogènes chromés.

#### Sol:

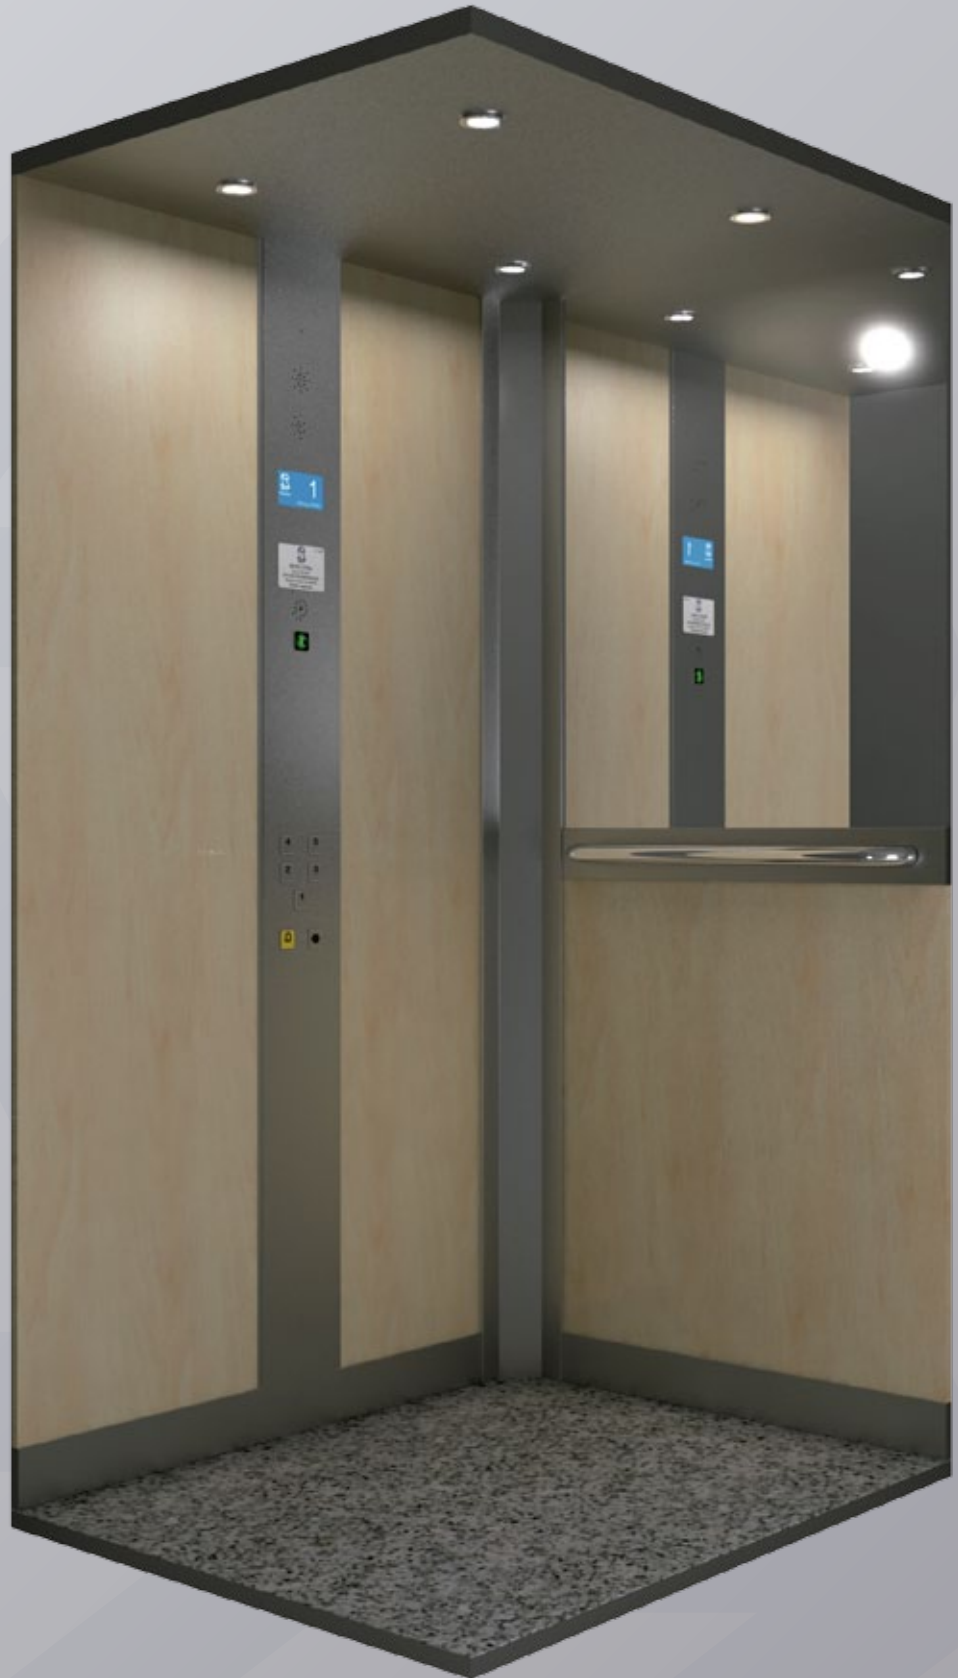

-Sol en caoutchouc.

#### Profilerie:

-Acier inox AISI 304.

# Primavera

Spring - Printemps

#### Características generales:

##### Laterales:

-Paños enteros de melamina.

##### Techo:

-Chapa pintada con iluminación por halógenos cromados.

##### Suelo:

-Suelo de goma.

##### Perfilería:

-Acero Inox AISI 304.

#### General Features:

##### Walls:

-Whole melamine panels.

##### Ceiling:

-Painted metal sheet with silver halogen spotlights.

##### Floor:

-Rubber flooring.

##### Corners:

-Stainless Steel AISI 304.

#### Caractéristiques générales:

##### Parois:

-Panneaux entiers de mélamine.

##### Plafond:

-Tôle peinte avec éclairage par halogènes chromés.

##### Sol:

-Sol en caoutchouc.

##### Profilerie:

-Acier inox AISI 304

# Océano

Ocean - Océan

#### Características generales:

##### Laterales:

-Paños enteros de melamina 2042.

##### Techo:

-Chapa Acero INOX AISI 304 con iluminación por fluorescentes.

##### Suelo:

-Suelo de goma.

##### Perfilería:

-Acero Inox AISI 304.

#### General Features:

##### Walls:

-Whole melamine 2024 panels.

##### Ceiling:

-Stainless Steel ceiling AISI 304 with fluorescent illumination.

##### Floor:

-Rubber flooring.

##### Corners:

-Stainless Steel AISI 304.

#### Caractéristiques générales:

##### Parois:

-Panneaux entiers de mélamine 2042.

##### Plafond:

-Tôle Acier INOX AISI 304 avec éclairage par fluorescents.

##### Sol:

-Sol en caoutchouc.

##### Profilerie:

-Acier inox AISI 304

# Arena

## Sand - Sable

### Características generales:

#### Laterales:

-Paños enteros de melamina.

#### Techo:

-Chapa Acero INOX AISI 304 con iluminación por fluorescentes.

#### Suelo:

-Suelo de goma.

#### Perfilería:

-Acero Inox AISI 304.

### General Features:

#### Walls:

-Whole melamine panels.

#### Ceiling:

-Stainless Steel ceiling AISI 304 with fluorescent illumination.

#### Floor:

-Rubber flooring.

#### Corners:

-Stainless Steel AISI 304.

### Caractéristiques générales:

#### Parois:

-Whole melamine panels.

#### Plafond:

-Tôle Acier INOX AISI 304 avec éclairage par fluorescents.

#### Sol:

-Sol en caoutchouc.

#### Profilerie:

-Acier inox AISI 304.

**Características generales:**

**Laterales:**

-Paños enteros de estratificado.

**Techo:**

-Chapa Acero INOX AISI 304 con iluminación por fluorescentes.

**Suelo:**

-Suelo granito o silestone.

**Perfileria:**

-Acero Inox AISI 304.

**General Features:**

**Walls:**

-Whole FORMICA panels.

**Ceiling:**

-Stainless Steel ceiling AISI 304 with fluorescent illumination.

**Floor:**

-Granite / Silestone.

**Corners:**

-Stainless Steel AISI 304.

**Caractéristiques générales:**

**Parois:**

-Panneaux entiers de stratifié.

**Plafond:**

-Tôle Acier INOX AISI 304 avec éclairage par fluorescents.

**Sol:**

-Granit ou silestone.

**Profilerie:**

-Acier inox AISI 304.

# Estrella

## Star - Étoile

### Características generales:

#### Laterales:
